

THE GAMBIAN PENCIL PROJECT **CLEAN WATER APPEAL**

**This is the water the children of
Bansang, Gambia have to drink.**

**We want to provide
clean, fresh drinking
water for these
schoolchildren, and
the wider community
by the end of 2018.
To do this we need to
raise £6000 for a
Borehole.**

**If your school, family, friends, colleagues or club would like to
support us please** Email: mail@thegambianpencilproject.com
Or visit www.thegambianpencilproject.com for more infor-
mation.

Our Charity is ran by volunteers so every penny donated
goes directly to projects in Gambia
